

BOOK LOG

Dec.8

Lily and I were brainstorming what we would do for our scientific project!

Dec.9

Toleen and I are starting on our rough copy and gathering our information! We also finished our form!

Dec.10

Today Lily and I started our rough copy to see how we are going to plan everything and see some changes we need to do. Also we were doing our slides and we presented our form to our science teacher.

Dec.11

We started our slides and researching

Dec.12

We were gathering information

Dec.13

The information we got we are putting them in the slides

Dec.14

Organizing the information we got together.

Dec.15

Lily and I are working on the slides and researching.

Dec.16

Lily and I are working on our google slides.

Dec.17 we were researching more about our project.

Dec.18 lily and I planned how we are going to form our slides

Dec.19 we wrote some of our information on to our slides

Dec.20 we researched more

Dec.21 we put our information a bit on the slide show

Dec.22 we researched more and put it into a notebook

Dec.23 we put information that we got from our book on to the slide show not fully yet

Dec.24 we worked on our slide show a bit.

Dec.25 we used our note books and saw if our information was correct

Dec.26 we wrote more in our note books

Dec.27 we wrote our information onto the slide show

Dec.28 it was our last day to research because we researched to much so we researched all the information we needed

Dec.29 we started putting some of our information we got on to the slide show

Dec.30 we forgot to do our slide show

Dec.31 we put most of our research on to te slide show

JAN.1 we put almost all but not all the information

Jan.2 we read over our slides so we didn't make any mistakes

Jan.3 we forgot we about a little slides so we did one of them

Jan.4 we wrote all the slides and finished all the slides

Jan.5 we double checked everything was good and o mistakes where there.

Jan.6-10 we fixed mistakes in our slides

Jan.11-13 Added pictures and highlights and planed our scripts and what were gonna say.

Jan.14-17 we practiced presenting our slide show

Jan 17-19 we practiced saying our slides until we got it perfect

**Jan.20-25 we practiced the video time and then on the 25
published our video.**

THANK YOU !
