

• Feb 28th, 2026

- ↳ finished research on Hong Kong Flu
- ↳ analyzed the pandemics for patterns and found three main ones

• Mar 1st, 2026

- ↳ found countermeasures to the patterns
- ↳ wrote conclusion
- ↳ started getting the board ready

• Mar 2nd, 2026

- ↳ finished getting the board ready

• Mar 4th, 2026

- ↳ got judged in school
- ↳ finished the online CYSF platform

• Dec 28th, 2025

↳ started brainstorming project ideas in the medical field

↳ thought about recent events and remembered Covid-19

↳ decided to do a project on pandemics

• Dec 30th, 2025

↳ made google slide presentation for my project

↳ started background research about pandemics

• Jan 2nd, 2026

↳ continued background research

• Jan 5th, 2026

↳ finished background research

↳ decided to do research three of the deadliest pandemics in recent history: Covid-19, the Spanish Flu, and the Hong Kong Flu

• Jan 7th, 2026

↳ started research on Covid-19

• Jan 13th, 2026

↳ finished research on Covid-19

↳ started research on the Spanish Flu

• Feb 19th, 2026

↳ finished research on Spanish Flu

↳ started research on the Hong Kong flu

• Around Dec 2024:

↳ came across a video about perpetual motion machines and decided it would be a good project idea for next science fair

↳ video link: www.youtube.com/watch?v=-19xAFzlyhg

• Dec 21st, 2025:

↳ Start research on perpetual motion machines

↳ Websites used: [britannica.com/science/perpetual-motion](https://www.britannica.com/science/perpetual-motion)
[study.com/academy/lesson/perpetual-motion-definition-lesson-quiz.html](https://www.study.com/academy/lesson/perpetual-motion-definition-lesson-quiz.html)

• Dec 22nd, 2025:

↳ Continue research

↳ I realized on this day that doing my project on perpetual motion machines would not be reasonable as perpetuality defies both of the laws of thermodynamics

↳ I decided I could not continue with perpetual motion machines and began brainstorming for another topic

• Dec 23rd, 2025

↳ went on CYSF platform and started looking at all the projects that won first place and a special award

↳ realized that most of the projects were in the medical field

↳ decided to do something in the medical field
