**Gobind Sarvar School**  
**Calgary, Alberta, Canada**

**Grade: 11**

**Name of the**

**Rajpreet Kaur Shergill & Manmeet Kaur**

**student:**

<b>Date</b>	<b>Summary of the work you have done!</b>
<b>November 15, 2025</b>	<b>We started exploring different topic ideas</b>
<b>November 20, 2025</b>	<b>We found and finalized a topic related to space, specifically the Earth and Moon system.</b>
<b>November 23, 2025</b>	<b>We started adding simple information to our document and got started on our background research.</b>
<b>November 24, 2025</b>	<b>We finished our background research and small other details. Our document is done.</b>
<b>November 25, 2026</b>	<b>We practiced presenting and memorized some information.</b>
<b>December 2, 2025</b>	<b>We finalized our slideshow.</b>
<b>December 3, 2025</b>	<b>We set up our slideshow according to our topic and added to the background research.</b>

<b>December 23, 2025</b>	<b>We finished working on two main topics in our project.</b>
<b>Jan 3, 2026</b>	<b>We continue to work and gather information about our project.</b>
<b>January 4, 2026</b>	<b>We finalized the look of our project and selected the materials accordingly.</b>
<b>January 6, 2026</b>	<b>We finished researching our information for our next presentation.</b>
<b>January 8, 2026</b>	<b>We plotted all the information on our slideshow</b>
<b>January 12, 2026</b>	<b>We made some final changes to our slideshow before presenting in class.</b>
<b>Jan 14th</b>	<b>We continued working on our project after our presentation as we continued to edit</b>
<b>Jan 15th</b>	<b>We reviewed teacher feedback from our presentation and identified areas that needed improvement, including adding deeper explanations, improving slide clarity, and strengthening our scientific reasoning.</b>
<b>Jan 20th</b>	<b>We expanded our research by finding additional scientific sources to support our claims</b>
<b>Jan 25th</b>	<b>We improved the visual layout of our slideshow by adjusting text, organizing key points more clearly, and making sure the information was easier for the audience to understand.</b>
<b>Jan 29th</b>	<b>We practiced presenting our final information.</b>
<b>Jan 30th</b>	<b>We practiced presenting again, worked on speaking more naturally instead of reading from the slides, and ensured each group member understood their section thoroughly.</b>
<b>Jan 31th</b>	<b>We completed our final review of the project, checked our sources, and made the last adjustments to improve the overall quality and professionalism of our presentation.</b>
