

**Science Fair Logbook
2025
Gobind Sarvar School
Calgary, Alberta, Canada**

Grade:.....6C.....

Name of the student: Harpreet and
Daneesha

	Summary of work you have done!
Jan 20th	Variables
Jan 21st	figured out how to paste the slides
Jan 22nd	Glued on the slides
Feb 1, 2025	memorizing some words, and were reading scri

Date	Summary of work you have done!
Dec 22, 2024	I learned how to make oobleck.
Dec 23, 2024	I got the supplies of it.
Dec 25, 2024	Tried to make it at home to see if it works.
Dec 28, 2024	Started my title page and summary page.
Dec 30, 2024	Researched about what exactly is oobleck.
Dec 31, 2024	Finished 5 slides. (Not in one day)
Jan 1, 2025	Researched about who invented oobleck.
Jan 1, 2025	looked up the science behind it.
Jan 1, 2025	Finished writing down the informatio about those.
Jan 2, 2025	Researched the math behind it.
Jan 2, 2025	Finished a slide. putted on a picture of the model
Jan 2, 2025	putted on the model of the mat behind it.
Jan 3, 2025	Finished writing down the conclusion.
Jan 3, 2025	searched about how oobleck is important.
Jan 4, 2025	Researched about what is a non-Newtonian fluid.
Jan 4, 2025	Researched about if oobleck can stop a bullet.
Jan 10, 2025	Researched about it's cause and effect.
Jan 12, 2025	Fun facts
Jan 14, 2025	can oobleck harm us, and pictures
Jan 8, 2025	oobleck name origin

Jan 15, 2025, is it easy to demonstrate

Jan 15, 2025, force applied to it

Jan 16, 2025, scientific learning

Jan 17, 2025 True or false

Jan 18, 2025 why we choose this topic
