

Date:	Summary of work that has been done!
Dec 8, 2025	Table of content,question
Dec 9, 2025	Table of content, organized all the slides,Introduction
Dec 10,2025	Background information
Dec 11,2025	Variables
Dec 12,2025	Introduction,Background research
Dec 13,2025	Background research
Dec 15,2025	Variables
Dec 16, 2025	Material used
Dec 17, 2025	Procedure/method,Data
Dec 20, 2025	Procedure/method
Dec 22,2025	Material used
Dec 26,2025	Background information,Variables
Dec 27,2025	Background information slide 2
Dec 30.2025	Just checked what could be fixed
Jan 3,2026	Facts,observation and results
Jan 4,2026	Facts,improvements
Jan 5,2026	Facts,Data,Limitations and possible errors
Jan 6,2026	Acknowledgement,Data,conclusion
Jan 8,2026	Data,conclusion,Observation result,improvements
Jan,12,2026	Improvements
Jan,13,2026	Limitations & Possible errors
Jan,14,2026	Conclusion,visuals
Jan,15,2026	The Chemistry of the Glow,

	the role of hemoglobin,
Jan,16,2026	Just going over all the slides
Jan,18,2026	what is luminol, hypothesis, how luminal glows, use of luminol in crime scene investigation, limitations of luminol
Jan,19,2026	Why the experiment could not be conducted, procedure/method,visuals, conclusion, Significance/Why this research matters,

References have been done as we got the information.
