

FRIDAY, FEBRUARY 12, 2021

Today we started by doing our hypothesis, basic project info form and ethics due care 2A form. We also started on our research that way we had more time to do other things other days.

SATURDAY, FEBRUARY 13, 2021

We worked on some research, procedure, and experiment. We also recorded some of what happened to the experiment and did some sources of error of error.

SUNDAY, FEBRUARY 14, 2021

Today we finished our research and analysis, and sources of error. We started to work on our application.

WEDNESDAY, FEBRUARY 17, 2021

We had citations and acknowledgement both done. We had a very small amount left to do.

SUNDAY, FEBRUARY 21, 2021

Today we finished a look at the science fair and fixed up any grammar and spelling mistakes so it was ready for presentation.
