

Can Biofuels Replace Gasoline In Vehicles

Logbook

2025-02-04

We submitted our project to the CYSF platform

2025-02-07

Research Supplies needed and make the hypothesis

2025-02-14

We changed the plan and now are doing a research project.

Started research

2025-02-21

We finished our second question

2025-02-28

Finished background research

2025-03-07

Finished the the material going on board

2025-03-12

Needed extra time to finish the board.
