

Date (mm/dd/yy)	What did I do?
10/29/25	Started and worked on background research
10/30/25	Worked on background research
11/2/25	Worked on background research
11/5/25	Finished background research, trained model
11/21/25	Exported model and began coding the HTML app using AI assistance
11/25/25	Continued coding the HTML app
12/1/25	Continued coding the app
12/8/25	Finished coding app
12/14/25	Began troubleshooting the app for errors or mistakes
12/18/25	Continued troubleshooting
12/24/25	Finished troubleshooting
12/25/25	Tested the app and gathered data
1/6/26	Created a graph representing data, began making slidedeck
1/9/26	Continued working on slidedeck
1/15/26	Finished working on slidedeck
2/10/26	Received trifold
2/12/26	Worked on assembling trifold
2/13/26	Worked on assembling trifold
2/15/26	Finished assembling trifold, began working on script
2/18/26	Worked and finished script, practiced presentation
