

Date:	What we did
October 22nd	We partner up and start brainstorming ideas for science fair
October 29th	<p>We finalize on two projects:</p> <ul style="list-style-type: none"> -Studying twins and the emotional connections between them -Studying the brain and addictive drugs
Nov 24	We finalize on addictive drugs send in our project to CYSF website. We start gathering sources.
Nov 26	We began to find academic papers and websites to support our research. We found a youtube playlist that fit our project.
Nov 28	<p>We finalized project details and emailed out teacher for confirmation. We began analyzing sources and started putting together information. Using charts, we would go through academic papers and annotate based on information that was valuable to us.</p>
Jan 15	We finished collecting data by now and started to fill out necessary components for CYSF. Began our background information and started analyzing data
Jan 26	Began our conclusion and started to divide work up in order to put onto the CYSF website
Jan 30	Started our trifold and deciding how we were going to organize it in preparation for our schools
