

Reignah and Maria's Science Log book

Jan 18, 2024

- Did background research on USA Today and Scienceing
- Set the question and hypothesis
- Set the controlled, manipulated, and responding variables
- Made the procedure
- Created data chart

Jan 20, 2024

- Bought the Orange Juice, Water, and Coffee
- Haven't got the Coke
- Waiting on Maria to purchase the plants

Jan 22, 2024

- Wrote out the official materials, safety, and procedure for the experiment (to print and glue on our board)

Jan 23, 2024

- Typed out the information about watering plants
- More background research

Jan 30, 2024

- Maria bought plants
- Brought the liquids
- Set up our plants in the class
- Labeled the plants depending on what we are watering them with
- Recorded some information

Feb 1, 2024

- Watered our plants 25ml with the right drink
- Decided how much water the plant needs

- More research
- Recorded plants high in the chart

Feb 8, 2024

- Watered our plants
- Recorded observations
- Measured plants height
- Updated our chart
- Took pictures of our plants
- Wrote downs some information

Feb 14, 2024

- Watered our plants
- Measured plants height
- Updated our chart
- Logged into CYSF platform
- Recorded observations

Feb 21, 2024

- Completed Ethics 2A and 2B
- Did hypothesis, research, variables, and procedure on CYSF website

Feb 22, 2024

- Watered plants
- Recorded plants height into chart
- Going to buy the big board in the weekend
- Did the declaration, observations, and citations in the CYSF platform

Feb 28, 2024

- Complete Sources of Error on CYSF platform
- Did the Application

March 5, 2024

- Brought the tri fold
- Printed out all of our information and pictures
- Did the conclusion and analysis on cysf platform

March 6, 2024

- Glued all the information onto our board

March 7, 2024

- Maria printed all the letters for our title
- We taped our title
