

Wonderful Wings Logbook

Date	Activity
10/6/2025	science fair experiment chosen; how do planes fly research
10/10/2025	went to central library to find books on flight
10/14/2025	went to hangar flight museum to learn about planes
10/17/2025	small plane test in basement
10/28/2025	background research
10/30/2025	background research
11/18/2025	making the launcher
11/22/2025	made paper airplanes
11/28/2025	procedure; materials list
11/30/2025	did experiment
12/12/2025	making the launcher procedure
12/22/2025	library work session; back to find citations; swept back wing research
1/5/2026	conclusion and applications done
1/6/2026	analysis done
1/7/2026	graphs done
1/8/2026	sources of error and citations done
1/10/2026	surface area and curve graphs done
1/15/2026	student and teacher feedback; addressed feedback; submitted slides
1/20/2026	trifold
1/21/2026	trifold
1/25/2026	trifold
1/28/2026	set up for school science fair
1/29/2026	school science fair
2/1/2026	accepted to CYSF
2/5/2026	finished ethics and basic proget form on the CYSF platform
2/9/2026	purchased and picked up trifold; first day of science fair club
2/11/2026	science fair club started putting content into platform
2/16/2026	science fair club background research
2/18/2026	science fair club background research
2/23/2026	science fair club background research
2/24/2026	work on slides at home
2/25/2026	science fair club analysis
2/27/2026	worked on averages and background research
2/28/2026	finished content
3/1/2026	planned trifold for CYSF and put content into CYSF platform; went shopping for trifold, letters, construction paper
3/2/2026	final review; teacher advice
