

LOGBOOK

DECEMBER 11, 2023

- we first learnt about the science fair
- gave us tips for the science fair
- posted things on google classroom to guide us

DECEMBER 12, 2023

- deadline to pick partners and pick topics.
- searched for a topic that interested us

DECEMBER 13, 2023

- bought some materials that we needed to experiment

DECEMBER 14, 2023

- began to work on sideshow
- started to form out question and introduction

DECEMBER 15, 2023

- worked on introduction

DECEMBER 16, 2023

- researched about paper cups
- worked on background information of paper cups

DECEMBER 17, 2023

- researched more about paper cups
- worked on the background information for paper cups.

DECEMBER 21, 2023

- did research on background information of plastic cups
- put that information on the slides

DECEMBER, 23 2023

- did research on background information of styrofoam cups
- Information went onto slides.

DECEMBER 24, 2023

-we made a hypothesis together based on the background information

DECEMBER 27, 2023

-made a list of materials on our slides

DECEMBER 28, 2023

-did our experiment

-took pictures

-did three trials for all types of cups

-wrote down all the results

DECEMBER 29, 2023

-looked at notes over again

- wrote procedure in the slides

-put pictures on our slides from the experiment

JANUARY 7, 2024

-made a graph of results

-made a slide of our results

JANUARY 12 2024

-looked at notes for observations and data

-put out data and observations on slides

JANUARY 13, 2024

-made our conclusion and application and recommendations

-checked out our bibliography to see if we had all the links

JANUARY 14, 2024

-turned in our slides to our science teacher

JANUARY 21, 2024

-bought the trifold

-waited for our slides to be printed

JANUARY 22, 2024

- stayed after school to receive our printouts
- cut the edges of the printouts so it would fit on the trifold

JANUARY 26, 2024

- cut out more of the printouts
- worked on putting the cutouts

JANUARY 27, 2024

- finished putting half of the slides/printouts on the trifold

JANUARY 28, 2024

- finished putting the printouts on the trifold

JANUARY 29, 2024

- presented our trifolds for a trial run

FEBRUARY 7, 2024

- presented our project during the school science fair

FEBRUARY 8, 2024

- found out we had gotten second place
- were invited to the CYSF website

FEBRUARY 10-11, 2024

- worked on the CYSF website at home

FEBRUARY 12, 2024

- stayed after school to work on the website
